VISION

## Executive Search

We listen, we understand and create the plan. Our team will *partner* with you to identify, attract and deliver the leader or industry expert who possesses the right vision, drive and knowledge!

# STRUCTURE

## Team Building

We build teams of professionals from your industry, who have the expertise to get the job done right! By assembling project coordinators who are solely *dedicated* to satisfying your needs, we quickly and effectively fulfill each position. Our specialized professionals know where to go and have the right industry connections.

# QUALITY

## Project Search

When your staffing needs exceed 15 professionals, our *strategic* network allows you to *leverage* our access to thousands of candidates who will help your company. By developing an integrated partnership of people and the most sophisticated recruitment technology, we move ahead without sacrificing quality.

# NETWORK

## International Search

Based in Greater Miami, we have developed Executive Search *alliances* throughout the globe. Our industry specific teams help you reach the top candidates in Europe and Latin America.

# DEVELOPMENT

## Consulting

As a value added, we help clients benchmark their organization against competitors and industry standards. Our programs will enable you to complete the “right fit” plans that keep your team on top. To fully develop our client partnership, we offer employee retention and recruitment training seminars.
